# 100 Nights of Reading

Congratulations to all our ECE Hawks who were recognized today for reading 100 nights!

If you didn't reach 100 yet, you still can and see Mr. Sinclair for a prize! We are thankful to the Kiwanis for sponsoring this program!

## Student Learning Survey 2025/2026

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in 2026 the Student Learning Survey will be administered to students in **Grade 4**, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section.

The e-survey site will be open until May 1, 2026.

If you have any questions, please contact the school at 604-794-7533.
