- **Pro-D Day - no school for students**

PRINCIPAL'S MESSAGE

Dear East Chilliwack Families,

We hosted Ready, Set, Explore on Feb. 4th, and it was wonderful to meet our littlest learners who will be joining us in Kindergarten for Sept. 2026 or 2027!

Our ECE spirit wear store has reopened! An email was sent home with information on how to purchase any swag! Please see the attached poster for more details!

Groundhog Day (Feb. 2) is a long-held tradition of watching animals coming out of hibernation to predict whether there'll be an early spring or six more weeks of winter. Fingers crossed, we will get an early spring!

Upcoming Dates

February - Black History Month

Feb. 16 - Family Day - no school

Feb. 19 - lockdown drill #2

Feb. 23 - Angela Murphy Guest Author visit to ECE

Feb. 26 - conferences for teachers and families 2:30 - 5:30

Feb. 27 - early dismissal at 11:05 am

Check out the calendar on our ECE website!

ECE Writing Goal

We continue to prioritize strengthening our students' writing skills in all areas of learning.

How you can support your little Hawk at home:

- Find out what your child is interested in. Have them write some facts about their interest.
- Write a story together to encourage their imagination.
- They can bring their writing to school to share with their teacher or friends (or principal!)
- Take turns writing words or sentences if your child struggles with writing.

Black History Month

Special thanks to some of our students who will be reading about famous Black Canadians who have made a difference during our announcements this month! As a district, we remain committed to the ongoing work of anti-racism and the professional learning for our staff that strengthens this foundation.

Transportation/Bussing

Due to unforeseen circumstances, there may be times when your child's bus may be cancelled. Please check the school district website daily as cancellations will be posted there.

<https://www.sd33.bc.ca/>

Please also ensure you have downloaded the "My Ride K-12" app. Families will also be notified on the app as early as 6 am and the app has push notifications to let you know about a cancellation.

Subject: Busing Information for 2025-2026

Transportation

This is to inform you that your child's busing registration for the 2025-2026 school year is now complete.

Please make arrangements to pick up your child's bus pass at our office **as soon as possible**. We are open Monday to Friday from 7:00 am to 3:00 pm, and are located at 44877 Yale Road West, just west of the Evans Road traffic circle.

Please note:

- Functioning Bus Passes are mandatory. Failure to use bus pass can result in a written warning.
- Students will be required to tap their card each time they board and disembark their school bus
- Do not punch any holes or alter the bus pass in any way since this WILL affect the card's RFID circuitry
- **Many of our busing routes have changed. Please check your child's bus number and times below.**

Download the "My Ride K-12" app from the App Store or Play Store and access your child's busing info from your phone. Using the app is also our quickest way to contact multiple families at once when we need to notify them of cancelled routes or delays in busing.
