PRINCIPAL'S MESSAGE

Dear East Chilliwack Families,

Earth Day - April 22

Wednesday, April 22, was Earth Day! Students did a variety of learning activities in their classrooms to discuss ways they could take care of the earth. I "interviewed" students at the morning drop off to hear how our ECE could do things to take care of the earth, and here were a few responses:

Jack (Gr. 1)- keep our oceans clean

Izzy - when you see trash on the ground, pick it up

Kane C - save energy by turning off the lights when you leave a room

Kyle - recycle and reuse to make new things

Charlotte R - compost food scraps

Kiyomi - plant trees to clean our air

Kindergarten Registration is open! If you have a child or know someone who has a child starting Kindergarten in September 2026, please register [here](#).

ECE School Goal: Writing

Our school goal is to improve the quality of our students' writing, and engagement in writing is our goal area this year.

We have school district literacy coordinators supporting our students with a writing project called All About Books! Students are involved in book-making and writing information about a topic of interest! We will have a writing celebration on our next Feather Friday at the end of May!

Cross Country

Wednesday practices for cross-country running have begun. Please see the attached flyer. If your child is in Grades 1-3 and is interested in running, encourage them to come out! The cross-country meet at Cultus Lake is on May 7 at 3:45 pm.

More information to come!

Feather Fridays

Our Feather Fridays are one way to build and strengthen our school community through multi-grade groups that meet monthly for various activities that build connections and celebrate what an amazing school East Chilliwack Elementary is!

Our next Feather Friday is May 22nd. Don't forget to wear your East Chilliwack spirit wear!
