This special day is intended to bring together the community, support land-based learning, and celebrate Indigenous spaces. Students will have opportunities to connect with the land, participate in meaningful learning experiences, and engage in activities that encourage cultural connection, relationship building, and community. Thanks to our Indigenous Education Assistant, Kelsea Parenteau, who organized this event.

If you are interested in volunteering your time to support your child's classroom on this trip, please reach out to your child's teacher.

Entrepreneur Fair

Thank you to all our Grade 4 and 5 students, and the support of their families, on the time and hard work they put into creating their own businesses and designing products to sell as part of our Entrepreneur Fair! It was great to see families and community members support the creativity, innovation, and hard work in action!

Parking Lot

Just a friendly reminder to those who do after-school pickup. The lanes in our school parking lot are for **drive-through** only, and you must **stay in your car**. If you are getting out of your car, please find a spot to park in designated parking spots. If you arrive before 1:45, the designated back-in spots are often available. You can also arrive at 2:10 after the first buses leave, and the parking lot is less congested. We have supervision until 2:20 pm. Thank you so much in advance for your continued cooperation!
